

## HOLME VALLEY MOUNTAIN RESCUE TEAM

# OFFICIAL SPONSOR FORM

The Holme Valley Mountain Rescue Team is a registered charity. The Team, which is made up entirely of volunteers, is an integral part of the regional and national search and rescue service. Called out through the 999 system, we cover West Yorkshire from the M62 in the North to the West Yorkshire boundary in the South, from Marsden in the West to Knottingley in the East.

Through our links with West Yorkshire Police and Yorkshire Ambulance Service and West Yorkshire Fire Service, many of our call outs involve missing person searches, assisting the ambulance during severe weather conditions or rescuing casualties from difficult or remote locations.

Operational team members are on call 24 hours a day, 365 days a year, come blizzard, rain or shine, to provide a professional search and rescue service – entirely free of charge to the general public and the statutory bodies with which we work.

Our knowledge of terrain and conditions, combined with specialist equipment, vehicles, training and casualty care is key to our service and team members undergo rigorous training in

search and rescue techniques, stretcher handling in extreme conditions, casualty handling, communications and advanced first aid in order to maintain high standards.

As demand for our services grows so does the need for ever more sophisticated training and equipment. In 2012 the team was called out 26 times and it costs approx £20,000 each year to maintain the team. By raising funds for Holme Valley Mountain Rescue Team through sponsorship, you will be helping us to continue with this invaluable service to the community. You may even be saving lives.
